Information about just 1 company

## ORBIS is a global company information database.

It contains data, found in companies' financial reports, ie:

- Contact info
- Financial key figures

ORBIS also supplies more information from other sources and own research, ie:

- Industry classifications and activity description
- Ownership – recent and historical
- Branches and subsidiaries

Data is harmonized for easy comparison

# The company profile

The screenshot shows a search bar at the top with the text "thomas cook gmbh". Below it is a navigation menu on the left with various icons and labels. A red circle highlights a three-dot menu icon at the top of this menu. A red box with text points to this icon, stating "If the menu's not open: press the 3 dots top left!". A red arrow points to the "Company profile" item in the menu. The main content area displays the company name "THOMAS COOK GMBH" and "OBERURSEL, Germany". It includes a section for "Key information" with details like address, phone number, website, and date of incorporation. Below this are financial metrics for 2016, such as "Turnover for 2016" at \$253 million and "Net income for 2016" as "Not available". There are also sections for "Ownership" and "PEPs and sanctions".

If the menu's not open: press the 3 dots top left !

This is a company report. The menu left contains all company data, nicely grouped.

The 'Company Profile' contains contact info and industry affiliations (classification codes and description).
